Digital & Creative Strategist | Content, Brand & Digital Design

Digital and creative strategist with 5+ years in content strategy, social, web, and e-commerce for real estate, education, e-commerce, and agency clients. I plan what a brand says, design how it shows up, and build the channels it runs on, from content calendars and paid campaigns to Shopify systems and front-end code. Completed Pratt Institute's AI Design certificate; finishing certificates in Digital Design and Graphic Design in December 2026.

EXPERIENCE

Content Strategist & Digital Consultant | Freelance, Remote — Sep 2022 – Present

- Lead content strategy, web, and social projects for 20+ clients worldwide, spanning content planning, front-end development, UX design, and social media marketing.
- Built content strategies across 3 platforms and 2 newsletters, combining UGC, SEO, and influencer collaborations; grew engagement 70%.
- Implemented a Shopify order management system for Artefacto, streamlining checkout and in-person pickup for 300+ orders a month.
- Code and maintain client websites and booking platforms, keeping them current and optimized for user experience.
- Designed a Notion workspace for BTTR to track clients and project deliverables.

Content Strategist | Capital Natural, Monterrey, Mexico — Mar 2020 – Sep 2022

- Led digital content and front-end development for an $800M+, five-fund real estate investment operation; built SEO-optimized sites for multiple projects that increased lead generation 60%.
- Ran email marketing and managed Facebook Ads and Google Ads campaigns to grow audiences and conversions.
- Managed content calendars and directed external agencies producing platform-specific content.

Talent PA | Spotify Awards, Mexico City — Mar 2020

- Coordinated backstage talent management with production teams, preparing live performers for on-air TV performances.

Tecnológico de Monterrey | Monterrey, Mexico

General Project Manager Intern — Aug 2019 – Dec 2019

- Developed a multi-channel content strategy and production workflow for communication with prospective and current students.

Social Media Planning Intern — Aug 2018 – Jul 2019

- Produced 100+ pieces of content a month with internal and external teams across 31 campuses and 4 platforms (Instagram, Facebook, LinkedIn, X).
- Led social coverage of 50+ conferences and events, turning live moments into same-day content and increasing Instagram engagement 545%.

Social & Content Intern | Red Door Interactive, San Diego, CA — Jun 2019 – Jul 2019

- Wrote, edited, and published content for clients in real estate, beauty, wellness, and government services.
